## A380 For X-plane By Peter Hager.46

June 1, 2013 - Of all the airliners I used in the simulation, be it X-Plane, MSFS (any version, which I ... training simulators, and in fact Peter Hager did just that. set ... Read More  
May 11, 2013 - I am using this file as a starting point for writing my program to control a Boeing 737-800 aircraft in X-Plane 9. I have to work in a class that has only one computer, so I will use the function implemented by in Microsoft Flight Simulator: CourseTile. If you have other programs you want... More  
May 8, 2013 - I use this library in X-Plane 9 to write information used in my programs.
