Overview Photos and Description of this 6 bedroom holiday villa in Kaya located in Viracuba Valley - Costa Rica 5 bedrooms (some with individual beds) living area with couch and TV The villa consists of an open plan living area with a large stone kitchen with dishwasher, microwave, and a fridge. The dining room has seating for 4, but when a group of 12 or more are dining in the large indoor/outdoor kitchen, there is seating for about 10. The outdoor kitchen has a grill and is perfect for that back yard BBQ. The outbuildings have a gas hook-up for a barbeque, and the pool is great for fun in the sun. The living room has a couch that can sleep 3, a love seat, a chair and a big screen tv with cable and a DVD player. In the bedroom, there is a queen bed, a trundle bed with twin beds that turn into a queen sized bed, a huge air mattress, and an iron bed. The master bedroom also has a DVD player with a variety of movies on hand, and it has a spacious bathroom with a tub, stand-up shower, two sinks, and a large vanity table with a mirror and toiletries. The other bedrooms have queen sized beds, or twins, with plenty of space for your friends and family. There is one additional bedroom with two twins (it sleeps 4). The villa has a 1,500 square foot large 3-tiered pool with a rock waterfall that surrounds a nice grassy area in the back where kids can play. In addition to the 4 gas grills in the villa, you also have 2 charcoal grills that are on opposite sides of the property, so if one is full, you can grill on the other. There is also 2 gas barbecue areas for the villa to rent, and can be used for the family gathering. Outdoor living areas have 8 cushioned chairs with 2 sets of 2 lounge chairs that can be moved around, 6 parasols, a table and

Games Popular franchises and series Several video games have been created that include Pac-Man, including titles in the Pac-Man series, in which Pac-Man was one of the main characters.

Other companies have made their own Pac-Man games, such as Atari, Bandai, Bally Midway, and Namco. Pac-Man is perhaps the most prominent game that utilizes the Pac-Man name and characters, and most of the games developed for the home systems have featured Pac-Man as a playable

character. Pac-Man is one of the most popular playable characters in video games. Pac-Man has become one of the most popular characters in children's culture. Pac-Man is one of the first arcade games to have been licensed by a major U.S. household appliance manufacturer: two different companies (General Electric and Whirlpool) sold Pac-Man equipped refrigerators, dishwashers, and washing machines during the mid-1980s. Pac-Man has two different adaptations in the Western culture: one is a feature of the major video arcade game

consoles and arcade machines, and the other is an entertainment franchise that includes various adaptations of the Pac-Man character and games. Home game consoles

Pac-Man was originally created for the Namco's Pac-Man arcade game. It first saw a home console release for the Atari 2600, which included the arcade gameplay. The game was one of the last arcade games to be released for the Atari 2600.

Pac-Man also made its debut for the Nintendo Entertainment System in 1982, on which it has been one of the most popular games of all time. The series

was one of Nintendo's most critically acclaimed releases during its time, and it was followed up by Pac-Man 2 for the NES in 1983. Pac-Man also saw action on the Atari 5200, and was even playable in quarters in some McDonald's restaurants for a short while. The Pac-Man series was also adapted into the arcade game series Ms. Pac-Man and Pac-Man World, which were released on the Game Boy, Game Boy Color, and Game Boy Advance in Japan. Pac-Man World became the first video game ever to be translated into Japanese. As of 2007, there
