### **Features Key:**

A vast world full of adventure! The story takes place in a world in which the political powers of the north, the east, and the south are divided by an unbridgeable chasm. The Lands Between are situated between the three lands and contain a variety of scenery, situations, and challenges, like a tumultuous mixture of the three lands.

The greatest RPG of Sword & Chaos. The setting is based on a tale of the Lands Between told through shards of information passed down by the great hero guilds of the past. No better fantasy RPG's ancestors come from the most conservative RPG settings to the most revolutionary settings! The setting may be used for all sorts of Sword & Chaos fantasy works, including novels, manga, video games, animations, web comics, and more.

An addictive RPG system that lets you discover your ideal play style. The setting features a unique RPG system that let you freely change the combination of your weapons, armor, and magic to focus on two elements – strength and magic. You can develop your character according to your play style, such as by increasing your muscle strength to become a strong warrior, or mastering magic.

A great example of Japanese RPG and Fantasy Action RPG creativity combined. There is a great sense of adventure and exploration in *Elden Ring*, with beautiful scenes and surprising events unfolding in a vast world. This RPG also features many of the revolutionary attributes that are commonly seen in Sword & Chaos games.

An exciting blend of both the sword and magic genres! There are strong swords and unique swords that have been completely reworked into stylish magical weapons. Furthermore, there is a vast variety of magic, ranging from powerful custom magic to ancient magic that is still being kept alive. Advanced action and combat systems.

No matter whether your goal is to cut down enemies or protect allies, you will be able to cut away any threat and strengthen your allies. If you're quite confident with your skills, you may fully charge your weapons to raise their level to unleash additional effects. Or, as you need to level your weapon up, you can use the slow effect of "Blade Dancing" to increase your striking power and accurately perform "Guard&hellip

contents of the guide! PERSONALITY 1. About the Image of Humans The humans are a race of over 1,9 million inhabitants and set up their dominion in the west of the Elden Ring. The language of the humans is a distinct language, as is that of the elven race. Humans and elves are distinctive from each other in terms of gender as well as the appearance of their eyes and their hair color. Humans are slightly shorter and thinner than elves, but more robust. 2. About the Human Appearance The appearance of humans is diverse as there are different races. Each race has various tribes and clans, and even despite their appearance, they have differences in their race.
