FIFA 22 is developed by EA Canada, published by Electronic Arts, and rated E for Everyone (Everyone 10 and older). FIFA 22 will be available in North America on September 25 for the Xbox 360 system from Microsoft and PlayStation®3 system from Sony Computer Entertainment. FIFA 22 is available now for pre-order in North America at retailers or via the PlayStation™ Store, Xbox Live, and Origin. For more information about the game, please visit [www.FIFA.com](http://www.FIFA.com). Q: OneSite and TwoSite with single registration I have created oneSite with two different sub-sites - e.g. for banking and for trading. These two sites share the same registration (the one which exists in a. and c. site). I would like to add some additional fields for the trading-registrations while adding these fields for the bank registrations when switching from a. to c. and vice versa. I would like to have one content type for all registrations and hence one field collection. Is it possible to combine the registration fields of two sites in one content type
