Star Ocean: The Last Hope Surveyor the path that has now become yours. In Star Ocean: The Last Hope, the general flow of events is reflected in a "chapter-by-chapter" manner. You advance with certain objectives in mind, then proceed to the next chapter. Unlike other RPGs where "character" and "story" work on separate planes, characters and situations in The Last Hope work hand in hand. In addition, as the story progresses, you'll face challenges in which you have to think on your feet and make the right moves. The term "chapter" is used a little differently here than in other RPGs. Rather than having a predetermined length, chapters in Star Ocean vary in length depending on how well you are progressing in the game. Therefore, it is possible to enter one of several different chapters depending on how well you play the game. There are five different difficulty levels in Star Ocean: The Last Hope: Normal, Easy, Medium, Hard, and Great. Being able to clear a chapter on normal difficulty level requires no major effort on your part. Therefore, the game changes the difficulty level depending on the current chapter and the characters' current strength. Chapter 1 Explore the world freely and meet people. Free yourself from the sinister influence of the military, and then explore the world freely. 1. Chapter 1 Locomotives, city life, and bandits. Chapter 2 Explore the world freely, and then meet the first party of the Star Ocean: The Last Hope fleet. Chapter 3 A secret organization? A traitor? A giant dragon? Chapter 4 Fight against the Bandits of the Silver Gate to save your village. Chapter 5 If you have courage, you can clear this chapter on the second difficulty level. This chapter was said to be one of the most difficult. Chapter 6 Follow the story to the end. Chapter 7 The Last Hope, the Mythic Holy Empire, and

the Final Fight with the Lizard Queen. In the first chapter of Star Ocean: The Last Hope, you are a 14-year-old high school student named Rorona Fenton. You grow up in the town of Ari, which is located in the Northwest part of the Starscourge continent. One day, when you're in the 16th year of your life, you start hearing rumors
