Features Key:

Variable Level Curves: Large Scale Challenges Challenges with gameplay mechanics and difficulty that change according to your level, making for an exciting battle regardless of your character class and level.
Variety of Combat Styles and Unique Weapon Combinations A wide variety of all-new weapons, with strong Special Attack and a unique gameplay method.
Elden Lord class When you succeed in gathering the resources needed for a class change, you can step into the shoes of a new battle class. Learn to channel your vampiric powers and unleash the dark power. It is your will to rule the Lands Between!
Gathering of Necessities In order to successfully become a new battle class you must gather the resources necessary to complete the challenge.
Collectible Monster Trophies Earn a variety of trophies by defeating monsters. The items that you collect can be used as tools and support materials for your own class change.
Counters and Kills It's critical to defeat your opponents in order to attain really strong status that you can see reflected in your encounter rate, attack power, and atk. Attack:Kill enhancement allows you to decrease your opponent's ATK:DEF, while making their statuses more powerful. If you use the formula to match your strength, you can make the battle really intense!
Marvelous Talent Effects on Fighting Perform amazing attacks based on various stats such as ATK, DEF, MOV, SPECIAL, NUISANCE, GRADE, ETC., and make your body exude a torrent of lustful energy.
