Will it be safe? And will it save the world? Yes, the coronavirus pandemic is already upon us. Yes, it is already too late to stop it.

Yes, it will become much worse before it gets better, and that is making headlines around the world.

Yet, when it comes to a vaccine, it is too late. It is already happening. And yes, it has been coordinated by the Chinese government with the USA.

There is good reason for hope and even excitement

surrounding a potential treatment, or vaccine. The coronavirus is a new virus that, in most cases,
