Cardfight Vanguard Ride To Victory 3ds Rom 100

The game originally had two costumes for the warrior characters, but the line art for the others was missing. You'll need a 3DS eShop card to download the game and play it. The Rom varies, but most will have most of the songs as bonus tracks, with what seems to be a misprinting of the title, as

"Huge Collection" in the song. 3DS 3D Review: Cardfight!! Vanguard: Ride to Victory, review to download 7 stars out of 10.
