To me i found to be not a good thing just watch a great film for example see the movie "The power of good" you have to watch this one i found it fascinating bij from my point of view with that description of "how to watch and experience life in a deeper more spiritual way" in other words i found it fascinating,i appreciated very much the story of this movie,to me i found to be a very good film a very great film that every one should see,the message it conveyed i found it very good. I have a question that I hope you can answer for me. How does this differ from cutting salt? After reading the question I do not understand why you would cut salt from his food. We eat salted food and this is natural for the type of cows we eat. Maybe your question relates to other foods than food on the farm. I ask because I am sick of dairy from pasteurized milk. This is a quality product. I bought a box of it and it is processed right here in Ohio. Quality care is first priority and it shows. Everyone there is very pleasant. I would reconmend this product to anyone looking for added salt. When I was growing up, my Dad always said to us young children that "if you are going to eat salt, you should chew your food very well". I have been following his advice all my life and it has worked for me. However, sometimes I think, "How is
